

Year 2's Newsletter

8th September 2019

Dear Year 2 Parents,

I hope by now your children have settled down into Year Two. For the past week we have been revising Year One's work. Starting this week we shall start our Year Two curriculum. I would like to remind you again that students should do their homework alone, this helps me see what they have not understood in class so that I can repeat it again with them. This doesn't mean you can't study with them (of course you can).

Note: Starting from this week, every Sunday we will be having new spelling words and the kids are supposed to do their spelling homework on daily basis and starting from next week we will have a spelling test every Sunday.

If you have any questions please do not hesitate to contact me through the contact page on weebly.

Mr Abdulrahman

This week:

English:
